Visual Incite®

Visual Incite®

**Visual Incite** has developed a dynamic content management platform that seamlessly delivers rich interactive media and fan participation applications for the sports entertainment industry. The platform enables event producers to simultaneously deliver interactive content to thousands of TVs, PCs, mobile/wireless devices and large format LED screen systems - *Four Screens.*

**VI** creates pre-produced custom TV Channels that incorporate HD streaming media and provide fans with a quick and convenient way to view current play action and live scoring information.

**Our mission** is to deliver content management platforms and services that enhance the fans' overall LIVE event experience!

**Visual Incite** creates content and content applications that grab fans' attention and immerse them in the event, all while promoting the underlying sponsors.
